Welcome to the Swan Hill Annual On-Property Bull Sale

We would like to take this opportunity to thank previous buyers for their support and welcome new clients. We have come a long way since our first small sale in 1969 and this success is due to the support we have received from friends and cattle producers over the past 43 years.

This year we have moved to a new selling date in October to help southern clients who join their bulls in September/October rather than November. This new date also fits in with the western Santa Gertrudis bull selling circuit and we hope that this helps buyers with travel and bull delivery costs. We realise that the change in date will not suit all clients however Swan Hill is happy to accommodate buyers needs by holding bulls after the sale. Please call Cam Russell to discuss your requirements.

Today's offering includes 96 Santa Gertrudis Bulls and a crossbred offering of 9 Charolais X Santa, 2 Red Angus X Santa and 1 Charolais X Santa X Angus bull. For the first time 3 Purebred Red Angus bulls will also be offered. These bulls have had the benefit of two of our best ever seasons and we are confident that you will find them well grown and in strong working condition.

The bulls on offer have been GeneStar tested and the results will be expressed as Molecular Value Predictions (MVPs). GeneStar MVPs are very useful DNA-marker tools for genetic improvement and they provide predictions for the core traits of feed efficiency, marbling and tenderness.

The bulls are semen tested, morphology tested, and soundness evaluated by Dr Ced Wise and have been scanned for P8, Rib fat eye muscle area, and IMF% by David Reid. They have been vaccinated for Ephemeral Fever, Tick Fever and 7 in 1.

The catalogue is also available on our web page www.swanhillcattle.com.au and the supplementary sheet as well as photos will be uploaded as soon as they are available.

Thank you for your continued interest in and support for Swan Hill bulls. We greatly appreciate the support that we have received at sales during this year, the Longreach Elders All Breeds Sale, the Black Stump Sale in Blackall, the Ag Show Big S Sale in Toowoomba and at the Balonne Invitation Sale at Nindigully.

Any enquiries and inspections prior to the sale are welcome; please contact Cam Russell or your selling agent.

We look forward to welcoming you to Swan Hill on Monday the 17th of October.

Terry and Cam Russell

SWAN HILL HISTORY

The Swan Hill Santa Gertrudis Stud was established in 1960 by Terry Russell and his wife Jacqueline, making it one of the few studs to have reached 50 years of breeding. At this time the Blackall-Tambo District was seen as Merino Wool Country and the few cattle in the area were predominantly Shorthorn or Hereford.

The decision to bring Santa Gertrudis to the area was risky at the time however the breed quickly proved to be a successful crossbreed and purebred in their own right.

The Swan Hill Stud was founded on King Ranch bloodlines and developed with predominately Yarrowonga bloodlines. In recent years replacement sires have been secured from a range of studs as well as from within the Swan Hill stud.

Today Swan Hill Cattle Company is run by Terry and son Cam, and includes three properties in the Blackall-Tambo district, a commercial herd of approximately 1500 cows, and a stud herd of approximately 800 cows.

The Swan Hill breeding program places emphasis on good muscled, easy doing cattle. A calm temperament and fertility are also important, as well as a strong, but not dominant, poll genetic mix.

In recent years Swan Hill has begun GeneSTAR testing. GeneSTAR MVPs are very useful DNA-marker tools for genetic improvement and they provide predictions for the core traits of feed efficiency, marbling and tenderness.

6. Except as expressly provided in these Terms and Conditions of Sale no guarantee or warranty shall be given in respect of any lot sold under these conditions as made before or at the time of the sale, or from any circumstances of the sale, but in all cases where a guarantee is intended the same shall attach and be enforceable only if reduced to writing before delivery of the lot and signed by the vendor or by the auctioneer acting as agent for the vendor, and the absence of such writing shall be conclusive evidence in case of dispute that no guarantee, warranty or condition whatsoever was given or implied.
7. In the event of any dispute in respect to the sale of any lot:-
 - (i) The purchaser shall nevertheless be obliged to pay to the auctioneer the full purchase price and any other moneys or interest payable by the purchaser in accordance with these Terms and Conditions;

In the case of any dispute the remedy of the purchaser shall be against the vendor only and in no case or under any circumstances against the auctioneer who is to be regarded for all intents and purposes as agent for a disclosed principal.

9. (a) PAYMENT - Unless prior credit arrangements have been made in writing with the auctioneer the full purchase price for each lot shall be due and payable to the auctioneer in cash upon acceptance of the highest bid or the highest bidders' offer by the vendor and prior to delivery.
